

LAST ISSUE!

THE RAMBLER

MAY/JUNE 2015

Our Mission Statement: It is the mission of Schofield Middle School to provide a challenging academic program for our students in a safe, caring, school environment, thus, facilitating a smooth transition from elementary to high school.

Our Purpose: "Schofield Middle School will develop the skills and confidence in our students within a nurturing and safe environment that facilitates the integration of Science, Technology, Engineering, and Mathematics, as well as, an infusion of the Arts into their educational experiences."

Our Direction: "Schofield Middle School's direction is for all stakeholders to be committed to fostering a rigorous academic and technological curriculum that will prepare students to become productive citizens and future leaders as they compete and contribute in a global society."

THE MESSAGE FROM THE PRINCIPAL ... Dr. Lloydette Young

Greetings,

In these final weeks of school, I want to encourage students to continue to work hard to achieve academic excellence. Students still have an opportunity to increase grades by being diligent and seeking assistance from teachers. While preparing for final exams, it is important to pace yourself while studying and not cram. I would like to encourage students to read over the summer months to keep their minds actively involved through the summer. It is our desire that all students to end this year in a positive manner. Continue to make good decisions both academically and socially.

*Lloydette Young,
Principal*

Summer Assignments:

English I, Algebra I and 7th and 8th grade GT students, please complete summer assignments. You can access them from our webpage if you misplace those issued.

Congratulations to Robert Morris for receiving the Young Entrepreneurs Academy award. YEA! is a cutting-edge program that takes students through the process of starting and launching a real business or social movement over the course of an academic year. By the end of the class, students own and operate fully-formed and functioning businesses, which may be carried on after their graduation from the program. YEA! aims to teach students at an early age how to make a job, not just take a job. It is the ONLY pre-college program developed by an entrepreneur, at a university, with support from a major entrepreneurial foundation, the Kauffman Foundation, and the United States Chamber of Commerce.

Congratulations to the following students who represented SMS at the county Celebration of Character:

**6th graders:
Margaret O'Leary
Leilani Young Miller**

**7th graders:
Elaina Cummings
Jasmine Kitchings**

**8th graders:
Leon Curry
Jared Mahoney**
