

# THE RAMBILER

## MARCH 2016

### SCHOFIELD MIDDLE SCHOOL (A TITLE ONE SCHOOL) MISSION STATEMENT

*It is the mission of Schofield Middle School to provide a challenging academic program for our students in a safe, caring school environment, thus, facilitating a smooth transition from elementary to high school.*

#### THE MESSAGE FROM THE PRINCIPAL ...

Greetings,

Report Cards will be issued March 29th. As we approach Spring, we encourage students to continue to work towards academic excellence. If you find yourself in a difficult academic situation, please seek assistance from your teachers. Many teachers offer after-school tutoring per parent request. Parents if you have concerns, you may contact the office to schedule a conference or contact your child's teacher by email. Parent Portal Passwords may be picked up from the office. This access allows you to monitor your child's grades and attendance via the internet. We invite all parents and community members to our parental/community involvement activities. Please see the calendar on the back of this newsletter.

Parents please visit our School Fusion webpage at:  
<http://schm.acps.schoolfusion.us/>

From this webpage you are able to visit individual teachers' class pages and review weekly homework, projects, and announcements.

Finally, I would like to thank all parents for their continued support. If you have suggestions, questions, or concerns; please feel free to call the school.

Sincerely,

Lloydette Young

## THANK YOU...

To all of our guests during the month of February who participated in our Black History Month program, Engineers for speaking to our students for National Engineers Week, and read literature from African-American authors during our Read-In. Our students thoroughly enjoyed you!

### "Go to Work with a Relative Day"

Friday, March 18th

Aiken County middle schools will be participating in the National Take Your Child to Work Program, by promoting "Go To Work with a Relative Day". Forms are located in the front guidance office and are **due Friday, March 11th.**

SMS Purpose

"Schofield Middle School will develop the skills and confidence in our students within a nurturing and safe environment that facilitates the integration of Science, Technology, Engineering, and Mathematics, as well as, an infusion of the Arts into their educational experiences."

SMS Direction

"Schofield Middle School's direction is for all stakeholders to be committed to fostering a rigorous academic and technological curriculum that will prepare students to become productive citizens and future leaders as they compete and contribute in a global society."
